Director Megan Jolly was delighted with the number of people who were interested in being part of this production and we thank everyone who took the time and trouble to audition for a role.

One Flew Over the Cuckoo's Nest is a very well-known book, play and film.

"The play is set in the Day Room in a ward of a State Mental Hospital somewhere in the US Pacific Northwest in the 1960s. Randle P. McMurphy (Mac) is a charming rogue who contrives to serve a short sentence in an airy mental institution rather in a prison. This, he learns, was a mistake."

Performance dates at the Earl Arts Centre are WEDNESDAY 24 MAY to SUNDAY 28 MAY 2017.

Do make a note in your diaries NOW for what will be a very powerful and interesting production.

"Twilight Tappers"

All good things....sadly, the 2016 concert was the final one for Marg Dick and her lovely Tappers. Over many years they have entertained hundreds of family and friends with their end of year concerts and although they have said farewell to these, they haven't "hung up their dancing shoes" yet, as they will still be enjoying their weekly classes. Thank you Marg (and Tappers) for many happy memories.
